

QleanAir signs \$647,000 USD agreement with a long-time cleanroom partner to design, build, and service their tenth and eleventh QleanSpace cleanrooms

QleanAir AB (publ.), the premium provider of solutions for clean indoor air, has through its U.S. subsidiary QleanAir Scandinavia Inc., signed an agreement with a hospital system on the American East Coast. The agreement is to provide the hospital with two new USP 797/800 compliant cleanroom environment to be used for their pharmacy compounding services. The project is planned for 2026.

QleanAir is committed to being a trusted partner by designing, building, and maintaining modular cleanrooms that exceed USP guidelines and sustain a continuous state of compliance. As a testament to this commitment, a leading East Coast integrated academic healthcare system has signed an agreement with QleanAir for its tenth and eleventh modular cleanrooms. This milestone comes on the ninth anniversary of the organization's first QleanAir cleanroom, which remains fully compliant and in continuous operation today.

- "At QleanAir, our mission is to be a trusted partner to every organization we work with by delivering compliant, safe, and reliable environments for pharmacy compounding. We've worked hard to earn that trust, which is why 30% of our customers invest in multiple cleanrooms and over half of our business comes from repeat clients. It's incredibly rewarding to know that our partners continue to choose us as we help them protect their patients, products, and processes.", says Zachary Douglas, President of QleanAir Scandinavia Inc.
