We have interviewed Ace St. Germain, CEO of Beyond Frames, in connection with the company's Q2'26 report. We discuss the development during the quarter, the performance of TMNT: Empire City following its launch, and the outlook for DLC sales and the game's longer-term revenue potential.

Furthermore, we discuss the sale of the publishing rights to Ghosts of Tabor, Silent North, and GRIM, as well as the company's remaining portfolio and the recently signed development agreement for a new game.
