The Board of Directors of BONESUPPORT HOLDING AB ("BONESUPPORT") has, pursuant to the authorization granted by the 2026 annual general meeting, resolved to initiate a share buy-back program of up to SEK 100 million for the purpose of adapting BONESUPPORT's capital structure to the company's capital needs and thereby contribute to increased shareholder value. - Acquisitions shall be made in compliance with the volume and price restrictions set out in Nasdaq Stockholm's Main Market Rulebook for Issuers of Shares and in the Safe Harbour Regulation, and shall not be made at a price lower than the lowest price at which an independent purchase may take place.
