About NeoDynamics

NeoDynamics AB is a Swedish Medical Technology Company dedicated to advancing the diagnosis and care of cancer. The company's first product NeoNavia®, a new innovative pulse biopsy system for ultrasound-guided tissue sampling, is currently being introduced to the market. The biopsy system is built on a patented pulse technology, based on research at the Karolinska Institute in Sweden. NeoDynamics' shares are listed on Nasdaq First North Growth Market Stockholm: NEOD.ST. The company's Certified Adviser is Redeye AB.

About NeoNavia®

NeoNavia® is the first vacuum-assisted device utilizing pulse technology for high yield, low risk, targeted biopsies in the breast and axillary lymph nodes. The innovative platform provides 3 needle options designed for accurate lesion targeting and greater tissue sampling with minimal trauma to surrounding tissue.
