

Moa Holfve appointed as new Chief Operating Officer at Triona Group

"I'm happy to share that we have appointed Moa Holfve as Chief Operating Officer (COO) at Triona and she will be starting in March", announces Lena Ridström Group CEO at Triona Group, "Moa has experience in strategic transformation within several international companies and will now focus on the changes associated with implementing Triona's new strategy, Focus28".

Moa's recent employment at Erinion, a venture within the Scania Group, that delivers charging solutions, where she had the responsibility to establish the company in new markets in her role as Market Expansion Manager. Moa has solid experience of driving strategic change at Scania as Strategy & Transformation Lead, and at Nefab in the role of Group HR Manager.

"I look forward to the role as COO at Triona and to focus on the implementation of Focus28 together with employees and group management," says Moa Holfve. "The goal is to create more value for our customers by improving operations, fostering innovation, and strengthening our people & culture and marketing efforts".
