

## **Stephen Taylor-Matthews to leave Desenio Groups board of directors**

Stephen Taylor-Matthews, a member of Desenio Group ABs board of directors, is to step down from his role as non-executive director effective 21 January 2026, for personal reasons.

I am proud to have contributed to the strategic growth of search engine optimisation and to lead the transformation of the technology team and internal product processes — the primary reason I joined the company. I am pleased to leave this part of the organisation in a strong position, well equipped to pursue the right strategies going forward, Stephen Taylor-Matthews commented.

Chairman of the Board Martin Weiss: Stephen joined the board at a key moment in Desenio Group's transformation and has provided valuable contributions throughout his time with us. On behalf of the board, I would like to express our gratitude for his commitment and wish him every success in his future pursuits.

The board of directors will continue with 3 non-executive directors until the next annual general meeting.
