Forward-looking Statements
This press release contains forward-looking statements that refer to the Company's intentions, assessments or expectations regarding the Company's future results, financial position, liquidity, development, prospects, expected growth, strategies and opportunities as well as the markets in which the Company operates. Forward-looking statements are statements that do not relate to historical facts and can be identified by the inclusion of expressions such as "believes", "expects", "anticipates", "intends", "estimates", "will", "may", "assumes", “should" "could" and, in each case, negations thereof, or similar expressions. The forward-looking statements in this press release are

based on various assumptions, which in several cases are based on additional assumptions. Although the Company believes that the assumptions reflected in these forward-looking statements are reasonable, there can be no assurance that they will occur or that they are accurate. As these assumptions are based on assumptions or estimates and are subject to risks and uncertainties, the actual result or outcome may, for many different reasons, differ materially from what appears in the forward-looking statements.

Such risks, uncertainties, contingencies and other material factors may cause actual events to differ materially from the expectations expressed or implied in this press release through the forward-looking statements. The Company does not warrant that the assumptions underlying the forward-looking statements in this press release are correct and any reader of the press release should not place undue reliance on the forward-looking statements in this press release. The information, opinions and forward-looking statements expressed or implied herein are provided only as of the date of this press release and are subject to change. Neither the Company nor anyone else undertakes to revise, update, confirm or publicly announce any revision of any forward-looking statement to reflect events occurring or circumstances occurring with respect to the contents of this press release, except as required by law or Nasdaq First North Growth Markets' regulations for issuers.
