Important information regarding postal voting

The shareholder may not provide the postal vote with any special instructions other than checking one of the given alternatives in each proposal in the form. If the shareholder wishes to abstain from voting on a proposal, please do not check any of the alternatives. If the shareholder has modified the form with special instructions or conditions, or has altered or added to the pre-printed text, the vote (i.e. the postal vote in its entirety) is invalid. Only one form per shareholder will be considered. If more than one form is submitted, only the most recently dated form will be considered. If the same date has been provided on two forms, only the form most recently received by the company will be considered. An incomplete or wrongfully completed form may be disregarded.

The cast of this postal vote is valid as a notice of participation at the Annual General Meeting. Further, shareholders who wish to use the opportunity to vote by post must be registered in the share register maintained by Euroclear Sweden AB no later than 19 June 2024. Shareholders with nominee-registered shares must **register their shares in their own name so that the shareholder is registered in the share register as of 19 June 2024**. Such registration may be temporary (so-called voting rights registration) and request for such registration shall be made to the nominee in accordance with the nominee's routines in such time in advance as determined by the nominee. Voting rights registrations effected no later than the second banking day following 19 June 2024 will be considered in the presentation of the share register. If a shareholder who has voted by post attends the Annual General Meeting, in person or by proxy, the postal vote is considered void.

Shareholders who wish to postal vote by proxy must issue a written, signed and dated power of attorney for the proxy. If the power of attorney has been issued by a legal person, a copy of the registration certificate or an equivalent document must be attached. A proxy form is available on the company's website, ir.arcario.com, and must be attached to the postal voting form.

The presented proposals for resolutions in the items below are set out in the notice of the Annual General Meeting, which is available on the company's website, ir.arcario.com.
