

Hexicon's CFO is leaving the company - a new recruitment process is initiated.

Hexicon's CFO Anders Rössel is leaving the company for personal reasons after a short time in his position. However, he remains as CFO until a solution is in place.

The company immediately begins a recruitment process to find a replacement.

About Hexicon

Hexicon is an early project-developer in floating wind, opening new markets in deep water areas, and a technology provider with a patented floating wind design – TwinWind™. The dual business model supports the world's transition to sustainable energy. Floating wind is an important part of the future energy mix. It can be deployed quickly and at scale, contributing to the electrification of society at large. Hexicon operates in several markets across Europe, Africa, Asia, and North America. Hexicon is listed on Nasdaq First North Premier Growth Market (ticker HEXI). Certified Adviser is FNCA Sweden AB, info@fnca.se.
