Highlights Q4

- Profit before tax amounted to SEK 492m, compared to SEK 281m in the same quarter last year
- Return on equity of 21.8 per cent, compared to 15.5 per cent in the same quarter last year
- Investments in new portfolios totalled SEK 4.0bn in the quarter, resulting in a total investment portfolio of SEK 33.4bn at the end of the period. After the quarter had been closed, another SEK 1.4bn of portfolio investments have been signed
- Record collection performance of 108 per cent, compared to 106 per cent in the same quarter last year
- Cost control remains tight with underlying direct and indirect costs at a stable level
- On 4 February 2026, Hoist Finance notified the SFSA that it fulfils all requirements set for Specialised Debt Restructurer (SDR)-status. Hoist Finance is thereby, from this date, an SDR which strengthens the company's investment capacity
- The Board of Directors proposes a dividend of SEK 6.0 per share, including a special dividend on the back of SDR-status
- With the full dividend deducted, the CET1-ratio as of 31 December 2025 amounted to 10.80 per cent. Given SDR status, Hoist Finance can dissolve previously made capital provisions for the backstop regulations, which as of 31 December 2025 would have resulted in a pro forma CET1-ratio of 13.50 per cent
