**Q&A**

A photograph of a wind farm at sunset. The sun is low on the horizon, creating a bright glow and silhouetting the wind turbines and two workers in the foreground. The workers are wearing hard hats and light-colored shirts, and they appear to be looking at something together. The field in the foreground is filled with tall, golden-brown grass. The sky is a mix of blue and orange.

This presentation has been prepared by MPC Energy Solutions N.V. (the "Company") and is general background information about the Company's activities at the date of this presentation. The information in this presentation is provided in summary form only and does not purport to be complete. This presentation does not contain all the information that is or may be material to investors or potential investors and should not be considered as advice or a recommendation to investors or potential investors in respect of the holding, purchasing or selling of securities or other financial instruments and does not take into account any investor's particular objectives, financial situation or needs. By reading or using this presentation, you acknowledge that you have read, understood and agreed to the below terms and conditions. If you do not agree to these terms and conditions, you may not read or use the presentation.

1. Use of presentation. The information provided on this presentation is for general informational purposes. This presentation may not be relied upon for the purpose of entering into any transaction and should not be construed as, nor be relied on in connection with, any offer or invitation to purchase or subscribe for, underwrite or otherwise acquire, hold or dispose of any securities of the Company, and shall not be regarded as a recommendation in relation to any such transaction whatsoever.
2. Content. The Company will use reasonable efforts to include accurate and up-to-date information into this presentation but makes no warranties or representations of any kind as to its accuracy, currency or completeness. You agree that the use of this presentation and the content thereof is at your own risk. The Company disclaims all warranties, express or implied, including warranties of merchantability or fitness for a particular purpose. Neither the Company nor any party involved in creating, producing or delivering this presentation shall be liable for any damages, including without limitation, direct, incidental, consequential, indirect or punitive damages, arising out of access to, use of or inability to use this presentation, or any errors or omissions in the content thereof. This limitation includes damages to, or for any viruses that infect, your computer equipment.
3. Indemnification. You agree to indemnify, defend and hold harmless the Company, its officers, directors, employees, agents, suppliers and third-party partners from and against all losses, expenses, damages and costs, including reasonable attorneys' fees, resulting from any violation by you of these terms and conditions.
4. Forward Looking Statements. This presentation contains forward-looking statements about the Company's financial and operating performance, business plans and prospects that involve substantial risks and uncertainties. Actual results could differ materially from the expectations and projections set forth in those statements. Such risks and uncertainties include, among other things, the uncertainties inherent in development, construction and operation of renewable energy assets; competitive developments; etc. The Company assumes no obligation to update any forward-looking statements as a result of new information or future events or developments.
5. Copyrights. The entire contents of this presentation are subject to copyright protection. Copyright © 2023 MPC Energy Solutions N.V.
