

## QleanAir Announces Partnership with a Large, Internationally Recognized Nonprofit That Has Purchased a New Cleanroom Solution Valued at USD 454,978

**QleanAir AB (publ), a leading provider of premium clean indoor air solutions, announces a new partnership through its U.S. subsidiary, QleanAir Scandinavia Inc., with a large, internationally recognized nonprofit healthcare organization. The organization has purchased a state-of-the-art cleanroom for one of its Florida facilities. This contract underscores QleanAir's ongoing commitment to delivering high-quality, regulatory-compliant cleanroom solutions to healthcare providers across the United States.**

QleanAir specializes in modular cleanroom solutions engineered to exceed USP <797> and <800> guidelines, providing healthcare organizations with environments that support continuous compliance, product integrity, and patient safety. Designed for flexibility, scalability, and rapid deployment, QleanAir cleanrooms help clients meet stringent regulatory standards while adapting to evolving operational needs.

"At QleanAir, we are committed to delivering innovative cleanroom solutions that empower healthcare institutions to maintain compliance while safeguarding patients, products, and critical processes. This collaboration with a highly respected international healthcare organization reflects their confidence in our expertise and our ability to meet—and exceed—the highest industry standards," said Amanda Myers, Chief Commercial Officer of QleanAir Scandinavia Inc.
