Enersize and Pure Positioning AB decide to discontinue the acquisition process under the previous Letter of Intent

Enersize Oyj ("Enersize" or the "Company") and Pure Positioning AB (publ) ("Pure") announce that the parties have jointly decided to discontinue the acquisition process under the previously signed Letter of Intent (LOI).

The process has been characterized by a constructive dialogue between the parties, and the cooperation concludes on good and professional terms. Following a joint review, the parties have assessed that there is a significant risk that an application based on the current structure would face challenges in the approval process with Nasdaq First North.

About Enersize

Enersize develops and provides specialized software, tools, and services for improving energy efficiency in industrial compressed air systems – one of the most energy-intensive processes in manufacturing. The company's technology platform enables detailed monitoring, analysis, and real-time optimization of compressed air systems, with the aim of reducing energy consumption, detecting leaks, and improving operational performance.

Enersize works with a wide range of industrial companies that recognize energy efficiency as a strategic priority – both for improving financial performance and for reducing environmental impact. The solutions are scalable and designed to integrate seamlessly into both existing and new system environments.
The company is listed on Nasdaq Stockholm First North Growth Market under the ticker: ENERS.
