

## Klappir.: Invitation to investor meeting - Webcast presentation of the company's strategy, operation and the financial results for the first half of 2024

**Reykjavik, October 22th, 2024**

Klappir welcomes you to participate in our Investor meeting - which is a live-streamed event where we present Klappir strategic plans and the financial result for the first half of 2024.

The presentation is scheduled to take place on Tuesday, November 5th, at 3:00 PM GMT. The event will be broadcasted live via webcast, and it will be conducted in the Icelandic language.

Klappir's CEO Jón Ágúst Þorsteinsson and COB Ágúst Einarsson will be presenting the company's strategy, operations and providing an overview of the company's performance and progress during the first six months of 2024.

The program will be led by our moderator, Ólöf Ásta Ólafsdóttir, and you will have the opportunity to submit your questions in real-time.

The 1H Financial result can be accessed on our website. You can click [here](#) to view it.

## About Us

Klappir is a rapidly growing sustainability software company with its roots in the Nordic countries. The company is now broadening its global presence by providing its solutions through an expanding network of partners. Klappir stands out due to its comprehensive approach to operations, trusted experience, groundbreaking product portfolio, and strategic expansion into new markets. In a world increasingly focused on sustainability, Klappir is not only driving its own growth but also spearheading a transformative shift in how businesses align with the complex challenges of sustainability accounting and reporting.

Klappir has emerged as the foremost provider of sustainability software, offering an advanced platform thoroughly crafted to empower effective sustainability management across various sectors such as businesses, municipalities, and governments. The core of Klappir's offering lies in its ability to seamlessly facilitate engagement with sustainability data, enabling enhanced efficiency and well-informed decision-making.

As a world-class innovator in sustainability software solutions, Klappir holistic approach to operations, innovative product offerings, and strategic market expansion pave the way for businesses to thrive in an increasingly sustainability-driven world. Klappir's visionary journey promises not only growth but also a transformative impact on how companies navigate and embrace the complexities of sustainability accounting and reporting.

Klappir B shares are listed on Nasdaq First North Iceland (KLAPP-B). For more information, visit <https://www.klappir.com/investors>
