ACARIX CARRIES OUT A DIRECTED ISSUE OF SHARES TO GUARANTORS IN CONNECTION WITH THE COMPLETED RIGHTS ISSUE

The Board of Directors of Acarix AB (publ) ("Acarix" or the "Company") has, in accordance with the guarantee commitments entered into in connection with the Company's rights issue of units (the "Rights Issue"), resolved on a directed issue of shares to those guarantors in the Rights Issue who have chosen to receive guarantee commission in the form of newly issued shares in the Company (the "Remuneration Issue"). The subscription price in the Remuneration Issue is, in accordance with the terms and conditions of the guarantee commitments, set at SEK 0.28 per share and payment is made by offsetting the guarantors' claims on the Company.

As previously communicated in connection with the Rights Issue, the guarantors in the Rights Issue had, in accordance with the terms and conditions of the guarantee commitments entered into, the option to choose to receive guarantee commission in the form of cash compensation (corresponding to 12 percent of the guaranteed amount) or in the form of newly issued shares in the Company (corresponding to 14 percent of the guaranteed amount). A number of guarantors have notified the Company that they have chosen to receive the guarantee commission in the form of newly issued shares. Due to this, the Board of Directors has, pursuant to the authorization granted by the Annual General Meeting on 11 May 2022, resolved on the Remuneration Issue, which comprises a total of 4,400,000 shares.

Payment in the Remuneration Issue shall be made by offsetting each guarantor's claim for the guarantee commission. The subscription price has been set to SEK 0.28 per share, corresponding to the subscription price in the Rights Issue. Through the Remuneration Issue, the number of shares in Acarix increases by 4,400,000 shares to a total of 373,331,109 shares and the share capital increases by a total of SEK 44,000 to SEK 3,733,311.09. The dilution effect of the Remuneration Issue amounts to approximately 1 percent.
