

## 4C Strategies receives order from the Swedish Armed Forces regarding Exonaut with a value of SEK 20 million

4C Group AB (publ) ("4C") announces that 4C Strategies has received a call-off from the Swedish Armed Forces relating to adaptation and support services for the Swedish Armed Forces' existing license of the Exonaut software. The assignment ensure that Exonaut continues to meet the Swedish Armed Forces' needs within training and exercise planning and management. This is made within 4C Strategies' framework agreement with the Swedish Armed Forces and has a value of SEK 20 million for the period 2026-2027. Delivery will commence during the first quarter of 2026.

Exonaut is an established software for the planning, execution, and follow-up of exercises and training, and is widely used to strengthen allied armed forces' capabilities. Through this call-off, 4C Strategies and the Swedish Armed Forces deepen their long-standing collaboration.

"We look forward to continuing to contribute to strengthening the Swedish Armed Forces' capabilities within the exercise and training domain. The call-off is a confirmation of the confidence in Exonaut within the Swedish Armed Forces, and through this call-off we ensure the continued adaptation of the product to the Swedish Armed Forces' future needs," says Jonas Jonsson, CEO of 4C Group AB.

The call-off is in line with 4C Strategies' strategy to provide long-term support to customers within defense, security, and civil protection with robust, mission-critical solutions.
