Nolato strengthens group management

Nolato is expanding its group management from June 1 by adding Camilla Magnusson, Group Procurement Director, and Glenn Svedberg, Director of Sustainable Affairs. The extended group management will provide an even more effective platform for identifying and leveraging group-wide synergies and further strengthening Nolato as a global strategic partner for a raft of sector-leading companies.

Camilla has been with the Group since 2013 as Procurement Director for Nolato Cerbo and Nolato Jaycare in the Medical Solutions business area. She has also led group-wide projects relating to Nolato's supply chain since 2016. Camilla has previously worked as Global Commodity Manager at Siemens' energy business, before which she was employed by Saab/GM as a project manager within technology, procurement and marketing.

Glenn Svedberg was recruited to the Group in 2007 as the Managing Director of Nolato Cerbo. Since 2017 he has also been in charge of Global Quality & Medical Excellence within Medical Solutions. Glenn has previously held a number of senior management positions at Rexam and Flextronics.

Going forward, Nolato's group management will consist of Christer Wahlquist (President and CEO), Per-Ola Holmström (CFO), Johan Iveberg (President of Medical Solutions), Jörgen Karlsson (President of Integrated Solutions), Johan Arvidsson (President of Industrial Solutions), Camilla Magnusson (Group Procurement Director) and Glenn Svedberg (Director of Sustainable Affairs).
