

SynAct to receive SEK 17.7 million after conversion of warrants

SynAct Pharma AB (publ) ("SynAct") (Nasdaq Stockholm: SYNACT), a clinical-stage biotechnological company focused on treating inflammation through resolution, today announced that HCM decided to execute on a conversion of 1,000,000 of warrants, generating SEK 17.7 million to SynAct.

SynAct today received a conversion notice from an entity managed by Heights Capital Management, Inc (HCM) based on the warrant terms and conditions from the agreement communicated 10 October 2023. HCM, part of the Blackrock Group, has now decided to execute 1,000,000 warrants generating proceeds of SEK 17.7 million to SynAct.

The total number of warrants part of the agreement in October 2023 was 3,375,000 with expiration date 13 October 2025. The conversion price initially was 17.75 and after recalculation, because of the preferential share issue earlier, the new conversion price is 17.6773. Each warrant entitles to subscription of 1,0041 share. The number of outstanding warrants after the conversion amounts to 2,375,000.

"These proceeds further strengthen our financial situation, extending runway further into 2027, and allow us to continue executing on the development opportunities we identify while also bolstering our position when talking to potential business and development partners," said CEO Jeppe Øvlesen.

The number of shares in the Company after the conversion of warrants amounts to 50,878,643 and the share capital amounts to SEK 6,359,830.
