

## W5 Solutions wins order from a Nordic customer worth 12 MSEK

**The fast-growing and high-tech defence company W5 Solutions, listed on Nasdaq First North, received an order valued at 12 MSEK from a Nordic customer, and the systems will be delivered during Q4 2023.**

"This order gives W5 Solutions the opportunity to continue supporting our customer with upgraded training equipment to create realistic live-fire exercises and thus contribute to strengthening the Nordic defence capability. We are proud of the continued trust, and this additional order develops our already strong and solid relationship with the customer," says Robert Dahlqvist, Executive Vice President and Head of Sales of W5 Solutions.
