

PAXMAN publishes newsletter with CEO Richard Paxman answering shareholders' questions on the company's year-end report

Today, PAXMAN publishes the February 2020 issue of its newsletter aimed at shareholders, investors and other interested parties.

This issue highlights the company's continued strong order flow in Europe, including an order of 16 systems to the prestigious Royal Marsden NHS Foundation Trust in the UK and 10 systems to the company's distributor in Italy. Also, CEO Richard Paxman answers questions from shareholders on the company's recently published year-end report.

To read the newsletter, and subscribe to receive upcoming issues, follow this link:

PAXMAN's investor newsletter is published monthly as a part of the company's effort to strengthen its market communication together with the IR communication agency [Honeybadger](#). Every published issue of the newsletter is available on PAXMAN's website for investors, www.paxman.se. The company encourages feedback and requests on topics for upcoming issues of the newsletter.

About Us

The Paxman Scalp Cooling System has been developed by the Paxman family to reduce hair loss in breast cancer patients undergoing chemotherapy. The concept behind the system came when the mother of four, Sue Paxman, experienced first-hand the trauma of chemotherapy-induced hair loss. With close to 3,500 systems delivered in to hospitals, clinics and treatment centres around the world, PAXMAN is the leading supplier of Scalp Cooling technology. PAXMAN's scalp-cooling cap is made from lightweight, biocompatible silicone that is soft and flexible, providing a snug yet comfortable fit during treatment. PAXMAN AB (publ) has its headquarters in Karlshamn (Sweden), with subsidiaries in Huddersfield (UK) and Houston, Texas (US).

The PAXMAN share is listed on Nasdaq First North Growth Market. FNCA Sweden AB is the company's Certified Adviser and can be contacted via info@fnca.se and +46 (0)8 528 003 99.
