Acquisition strengthens Trelleborg's position in marine solutions

The Trelleborg Group, through its Trelleborg Industrial Solutions business area, signed an agreement and finalized the acquisition of Mampaey Offshore Industries, a Netherlands-based manufacturer of specialist solutions for the marine industry.

The company's operations are based in Dordrecht, Netherlands, where it produces a range of berthing and mooring systems and ship-to-shore safety links for LNG transfer. Sales amounted to approximately SEK 170 M in 2023.

"The acquisition of Mampaey strengthens our global leading positions in the growing marine and LNG industries and will allow us to offer our customers a comprehensive range of safety-critical solutions. Our strong portfolio helps make operations more efficient, safer, and increasingly sustainable," says Jean-Paul Mindermann, Business Area President of Trelleborg Industrial Solutions.

The transaction will be consolidated as of today.
