

VALUNO GROUP ANNOUNCES NEW CTO TO THE GROUP MANAGEMENT

Today, Valuno Group announces that Henrik Oscarsson, System Architect, has been promoted to Chief Technology Officer (“CTO”). In conjunction with this, Henrik will also join the executive management team.

Henrik Oscarsson joined Valuno in January 2025 as System Architect. He is now being promoted to CTO and will become part of the executive management team. With over 25 years of experience developing high-performance transaction systems for real-time trading at institutions such as AMEX in New York, Credit Suisse in London, NASDAQ in Sweden, and SIX Telekurs in Switzerland, Henrik will bring valuable expertise to support Valuno’s continued growth journey.

“We are very pleased to announce today that Henrik Oscarsson has chosen to accept the role as Valuno Group’s new CTO. Henrik’s solid technical expertise, combined with his strong strategic and visionary approach to technology, is exactly what the company needs to further grow our position in an increasingly dynamic market undergoing major transformation,” says Daniel Sonesson, CEO of Valuno.
