

## Safeture - Growing strongly despite a pre-emptive customer write-off

Redeye argues that Safeture's Q4 2022 report was rather undramatic, although it was hit by a one-time customer write-off. The ARR and net sales grew close to the company's financial target, and the scaling was still showing. We believe the company will continue to take clear steps toward profitability in 2023 and expand its partner network.
