

Press Release

29 May 2023 10:30:00 CEST

Invitation to presentation including Q&A session of Qlucore's year end report for 2022/2023

Qlucore's year end report for the period 1 May 2022 to 30 April 2023 will be published 30 May 2023.

Qlucore invites to a video and phone conference where the year end report for the period, 1 May 2022 – 30 April 2023, will be presented by the CEO. After the presentation there will be a Q&A session.

The presentation will be in Swedish. Questions can be asked in English.

Date: Wednesday 31 May at 10 am CET.

About QluCore

QluCore is a leading provider of new generation intuitive bioinformatics software for research and precision and companion diagnostics. QluCore's mission is to make it easier to analyze the huge amounts of complex data generated by innovations in the fields of genomics and proteomics by providing powerful visualization-based bioinformatics data analysis tools for research and precision diagnostics. QluCore Omics Explorer software is a Do-It-Yourself bioinformatics software for research in the life science, plant- and biotech industries, as well as academia. QluCore Diagnostics and QluCore Insights are software platforms with built in AI-based machine learning for multi-omics companion and precision diagnostics. QluCore was founded in 2007 in Lund, Sweden and has customers in about 25 countries around the world, with sales offices in Europe and North America, and distribution in several countries in Asia. QluCore is listed on the Nasdaq First North Growth market. www.qlucore.com
