

Bio-Works receives a Letter of Intent (LOI) - the anticipated order value is €652,000.

Bio-Works Technologies AB is pleased to announce that it has received a Letter of Intent (LOI) for a significant order of WorkBeads™ affimAb, used in manufacturing processes of vaccines. The anticipated order value is €652,000.

This LOI marks a pivotal step toward reinforcing Bio-Works' relationship with our customers in the biopharmaceutical industry. Bio-Works' WorkBeads affimAb product has shown exceptional value in high-stakes manufacturing environments, with data from multiple manufacturing sites affirming its performance.

"We are thrilled about the potential of this order, as it underscores the trust and value placed in Bio-Works' products by industry leaders" said Lone Carlbom, CEO of Bio-Works. "This LOI is a testament to our commitment to quality and innovation, and we look forward to further strengthening our partnerships across the biopharmaceutical sector."
