The board of directors proposes that Carl Svernlöv, Attorney at law, at Baker & McKenzie Advokatbyrå, is appointed as chairman of the general meeting.

Item 6: Resolution to amend the Company's articles of association

The board of directors of the Company proposes that the extra general meeting resolves to amend the Company's articles of association as follows:

It is proposed that the object of the Company is changed to include own and manage moveable property, in addition to, or instead of, the current business of the Company. The articles of association § 3 will thereby have the following wording:

"The company shall, directly or indirectly through wholly or part owned subsidiaries provide digital services in the healthcare sector, and/or own and manage moveable property. The company shall also conduct other business compatible therewith."

It is further proposed to amend the articles of association's limits for share capital from a minimum of SEK 2,000,000 and a maximum of SEK 8,000,000 to a minimum of SEK 2,395,000 and a maximum of SEK 9,580,000. The articles of association § 4 will thereby have the following wording:

"The share capital shall not be less than SEK 2,395,000 and not more than SEK 9,580,000."

It is also proposed to amend the articles of association's limits for the number of shares from a minimum of 40,000,000 and a maximum of 160,000,000 to a minimum of 47,900,000 and a maximum of 191,600,000. The articles of association § 5 will thereby have the following wording:

Item 7: Resolution regarding authorization for the board to resolve on issuances

The board of directors of the Company proposes that the extra general meeting of the shareholders shall resolve to authorize the board, on one or more occasions, with or without preferential rights for shareholders, to issue in total a maximum of shares, warrants and/or convertible, corresponding to not more than 40 percent of the share capital of the Company after completed issuances based on the

number of shares at the time of the extra general meeting, to be paid in cash, by set-off or in-kind.

The reason for the authorization and deviation from the shareholders' preferential rights is to enable raising capital for expansion through acquisitions of companies or assets and for the business of the Company as well as to adapt the Company's capital and/or ownership structure. If issuances are carried out with deviation from the shareholders' preferential rights, such issue shall be made in accordance with customary market terms. If the board of directors finds it suitable in order to enable delivery of shares in connection with a share issuance as set out above it may be made at a subscription price corresponding to the shares quota value.

The board of directors or a person appointed by the board of directors shall be authorized to make such minor adjustments in the above resolution that may be required in connection with the registration with the Swedish Companies Registration Office.

Majority requirements

A resolution in accordance with items 6 and 7 is valid where supported by shareholders representing at least two thirds of the votes cast and the shares represented at the general meeting.
