Fastator investigates the possibility to issue subsequent bonds

Aktiebolaget Fastator (publ) ("Fastator") has mandated Nordea, Pareto and Swedbank as joint bookrunners to investigate the possibility of issuing subsequent senior unsecured bonds to a price of 101% of the nominal amount, under its existing bond framework of SEK 700,000,000 with ISIN: SE0014855284. The company has, as previously published, on 22 September 2020 issued SEK 500,000,000 under the bond framework. Subject to, inter alia, market conditions, a bond issue may follow.
