The board of directors proposes that attorney Christoffer Saidac, Hannes Snellman Attorneys Ltd, is appointed as chairman of the meeting or, in the event he is prevented from attending, a person appointed by the board of directors to take his place.

Item 6: Resolution on consolidation of shares by (A) issue of shares (so-called equalisation issue), (B) amendment of the articles of association and (C) resolution on consolidation of shares.

Items 6(A), 6(B) and 6(C) constitute a combined proposal and are resolved upon as one resolution and are mutually conditioned on each other. The board of directors, the CEO, or the person appointed by the board of directors or the CEO, shall have the right to make such minor amendments to all resolutions in items 6(A)-6(C) that may be necessary in connection with the registration of below resolution with the Swedish Companies Registration Office, Euroclear Sweden AB or due to other formal requirements.

A valid resolution, in accordance with the board of directors' proposal, requires that the resolution is supported by shareholders representing at least two-thirds (2/3) of both the votes cast and the shares represented at the general meeting.

(A) Resolution on issue of shares (so-called equalisation issue).

To enable the proposed consolidation of shares according to item 6(C) below, the board of directors proposes that the extraordinary general meeting resolves on an issue of shares of not more than 16 shares, entailing an increase of the share capital by not more than SEK 1.60, subject to the following conditions:

1. The subscription price shall be SEK 0.1 per share, corresponding to the quota value of the share. The reason the subscription price is set to the quota value is due to the issue of shares is carried out with the purpose of achieving a share number divisible by the consolidation quota according to item (C) below.
2. The right to subscribe for the shares shall only be vested in Skandinavkonsult i Stockholm AB, reg.no. 556090-3030. The reason for deviating from the shareholders' preferential rights is to facilitate the consolidation of shares with the proposed consolidation quota as set out in item (C) below.
3. Subscription of shares shall be made by payment in cash to the Company no later than on 1 December 2023. The board of directors is entitled to extend the period for payment.

(B) Resolution on changing the articles of association.

The board of directors proposes that the extraordinary general meeting resolves to change paragraph 4 in the articles of association so the number of shares shall be not less than 50,000,000 and not more than 200,000,000.

<p>§ 4. Share capital, class of shares and number of shares issued</p> <p>The share capital shall be not less than SEK 50,000,000 and not more than SEK 200,000,000.</p> <p>The number of issued shares may be not less than 500,000,000 and not more than 2,000,000,000.</p>	<p>§ 4. (C) Resolution on consolidation of shares.

In order to achieve a more appropriate number of shares in the Company, the board of directors proposes that the extraordinary general meeting resolves on a consolidation of shares, a so-called reverse split, whereby twenty (20) existing shares in the Company are merged to one (1) new share. The record date for the consolidation of shares shall be determined by the board of directors. The number of shares in the Company will, after the equalization issue and the consolidation of shares, amount to 90,080,342, which corresponds to a share quota value of SEK 2.00.

The shareholder JOHECO AB, reg.no. 559208–1805 (“**JOHECO**”) has agreed to, by the care of Euroclear Sweden AB, allocate shares to those shareholders whose number of shares are not equally divided by twenty (20), so their shareholding is equally divided by twenty (20), so-called rounding up. Such shares will be received by shareholders free of charge. Exchange of shares and allocation of shares as aforementioned will occur by the care of Euroclear Sweden AB without further action required from the Company’s shareholders.

The resolution is conditioned by JOHECO, before the consolidation of shares, allocating shares to the shareholders whose number of shares are not equally divided by twenty (20). Further, the resolution is conditioned by Skandinavikonsult i Stockholm AB subscribing for the highest number of shares in the equalisation issue according to item 6(A) above.

Further information about the procedure regarding the consolidation will be announced in connection with the board of directors’ resolution on record date.
