

## Change in number of shares and votes in BONESUPPORT HOLDING AB (publ)

**BONESUPPORT HOLDING AB (publ), a leading company in orthobiologics for the management of bone injuries, today announced a change in the number of shares and votes. As per December 30, 2022, the total number of shares in BONESUPPORT HOLDING AB (publ) amounts to 66,174,635, divided into 64,532,197 ordinary shares with one vote per share and 1,642,438 series C shares with one-tenth of a vote per share, corresponding to a total of 64,696,440.8 votes.**

The change in number of shares and votes is partly due to a directed issue and repurchase of series C shares to secure delivery of performance shares for the share saving program LTI 2021 and partly due to the exercise of warrants within the employee stock options program 2012/2022.

The directed issue increased the number of series C shares by 639,572 shares, corresponding to 63,957.2 votes. The exercise of warrants increased the number of ordinary shares by 11,000 shares, corresponding to the same number of votes.

In total, during December 2022 the number of shares has increased by 650,572 shares, of which 11,000 are ordinary shares and 639,572 are series C shares, and the number of votes has increased by 74,957.2 votes.
