White Pearl Technology Group launches its inaugural "Leadership Q&A" for shareholders and the public

White Pearl Technology Group AB (publ) ("WPTG") invites shareholders, investors and market participants to a live video Q&A session with its Board and management on Monday, 30 November 2026, at 15:00 CET, ahead of the extraordinary general meeting on 8 December 2026.

The Leadership Q&A is the latest initiative in our ongoing commitment to transparent and practical dialogue, which we believe is essential to earning and keeping shareholder trust. It joins our Investor Commitment Tracker, monthly CEO newsletters and open transcript publishing. These initiatives go well beyond formal regulatory filings to show you where our business is going, how we are executing along the way, and the context behind our decisions.

Over the past few days, we fell short of that standard. In publishing a technical notice for an agenda designed to reward talent and signal our strong belief in WPTG's future, we left too much room for misinterpretation. We are grateful for the immediate outreach from shareholders who contacted us directly to discuss the notice. Because we had not yet provided full context to the broader market, we chose to withdraw the items requiring the most explanation – items 8 and 9 – so we can discuss the full background of the EGM with everyone first. While our underlying business continues to perform strongly and our team continues to build for the future, we need to do a much better job of bringing you along on that journey.

The Leadership Q&A will become a regular forum with our Board and C-suite, giving shareholders and the public a direct channel to ask questions, raise concerns and share ideas. Rather than relying solely on written statements, our full leadership team wants to sit down with you face-to-face because WPTG is your company, and we are accountable to you.

In each regular session, we will cover four core areas:

1. Strategy & Global Market Context
2. Talent Acquisition & Ecosystem Development
3. Integration, Operational Updates & Challenges
4. Impact & Strategic Developments

Group CEO Ebrahim Laher will host the session alongside members of the Board of Directors and the C-suite, who will all be available to take your questions directly.

PRESS RELEASE
26 November 2026 12:30:00 CET

"Our business is in a strong position, our people are focused on long-term value creation, and our shareholders deserve to see and understand the work driving our growth," says Ebrahim Laher, Group CEO of White Pearl Technology Group.

Chairman Sven Otto Littorin adds, "You have raised valid questions this week, and we want to answer them directly. The full Board and executive team will be on the call, and we will stay on as long as needed to address what matters most to you."

How to join and submit questions

- Date: Monday, 30 November 2026
- Time: 15:00 CET
- Format: live video via Google Meet. The session will be held in English.
- Join the session: **https://meet.google.com/spd-rhiq-wov**
