

# W5 Solutions Wins Strategic Live Fire Training Contract in Finland

**W5 Solutions' business area Training signs an important contract with the Finnish Defence Forces' for the delivery of a mobile live fire training system. The initial contract is valued at SEK 25 million , with deliveries planned for 2025–2026. The contract also includes options worth an additional SEK 27 million, which may be ordered by 2027 for delivery no later than 2028. The decision is subject to an appeal period of 14 calendar days.**

W5 Solutions will provide the Finnish Defence Forces with a mobile trailer-based tactical target system, enabling rapid and efficient deployment of advanced live fire training solutions at desired geographical locations.

"This contract marks an important step in strengthening our presence in the Nordic region and establishing a foothold in a strategically important market. Partnering with the Finnish Defence Forces represents a key milestone for W5, as we continue to expand our customer base and demonstrate our ability to deliver complete, integrated training solutions tailored to the needs of modern armed forces," says Evelina Hedskog, President and CEO of W5 Solutions.
