LIFCO
A SAFE HAVEN FOR YOUR BUSINESS

Press Release
27 November 2026 15:25:00 CET

Lifco acquires EG Medical in Italy

Lifco has signed an agreement to acquire all shares in the Italian company EG Medical S.r.l. EG Medical is a niche manufacturer of trays for surgical instruments.

In 2025, EG Medical reported net sales of approximately EUR 11.9 million. The company is based in Villafranca Padovana in Padua, Italy and has 32 employees. EG Medical will be consolidated in Business Area Dental. Consolidation is expected to take place in the fourth quarter of 2026.

The acquisition will not have any significant effect on Lifco's earnings or financial position in the 2026 financial year.

About Us
Lifco offers a safe haven for small and medium-sized businesses. Lifco's business concept is to acquire and develop market-leading niche businesses with the potential to deliver sustainable earnings growth and robust cash flows. Lifco is guided by a clear philosophy centred on long-term growth, a focus on profitability and a strongly decentralised organisation. The Group has five business areas: Dental, Demolition & Tools, Environmental Technology, Transportation Products and Systems Solutions. At year-end 2025, the Lifco Group consisted of 275 operating companies in 37 countries. In 2025, Lifco reported EBITA of SEK 6.3 billion on net sales of SEK 28.3 billion. The EBITA margin was 22.4 per cent. Read more at lifco.se.
