About Vitec Software Group

Vitec is a leading provider of Vertical Software and has its origin and headquarters in Umeå, Sweden. Our products are developed to meet specific needs within various niche markets in society. The expertise of our employees, combined with our shared corporate culture and business model, enable continuous improvement and innovation. We grow through the successes of our companies, as well as through acquisitions. Everything we do is based on a long-term perspective. Because we are to rely on – today and tomorrow. Vitec has 1,570 employees, is listed on Nasdaq Stockholm and had net sales of SEK 2,778 million in 2023. Read more at vitecsoftware.com.
