

Mangold Insight first equity research of CYBER1

Stockholm, Sweden– 14th February 2022 – Mangold Insight, has produced the first equity research and analysis of Cyber Security 1 AB (Publ), which is listed on Nasdaq First North Growth Market.

Mangold takes a positive view of the large underlying market demand and believes that the company can increase its sales based on their comprehensive offers and key relationships with suppliers in cyber security. Mangold also believes that CYBER1's new Managed Services business area can improve profitability in the future.

This is the first analysis by Mangold Insight, which will provide informative analysis of CYBER1 to the current and prospective shareholders, as well as detailing key strategic components that will shape future performance.

The English and Swedish versions of the equity research are attached to this release.

The analysis moving forward will be located on the below links:
