

FMV has terminated a contract of 9.9 million

FMV has terminated W5 Solutions contract for development and production of the Ground Power Unit for helicopter for the Swedish Defence Materiel Administration, FMV. The value of the contract amounted to SEK 9.9 million.

The project has been affected by delay and that is the reason for termination stated by FMV. The loss that W5 Solutions will suffer, and which relates to incurred costs will be charged to earnings in Q4 2021.
