

REC Silicon - Invitation to presentation of fourth quarter 2023 results

REC Silicon ASA (REC Silicon) will release its Q4 2023 results on Thursday, February 8, 2024, at 7:00 a.m. (CET).

The same day at 8:00 a.m. (CET), the company will host a presentation of the results at Stortingsgata Kurs & Konferanse (Høyres Hus), Stortingsgata 20, Oslo, Norway.

Following the presentation, it will be opened for questions from the audience. The presentation and the following Q&A session will be in English.

A live webcast from the presentation can be accessed at www.recsilicon.com or with the following https://channel.royalcast.com/landingpage/hegnarmedia/20240208_10/

Webcast participants need to register to post questions.

About Us

REC Silicon is a leading producer of advanced silicon materials, delivering high-purity polysilicon and silicon gas to the solar and electronics industries worldwide. We combine over 30 years of experience and proprietary technology with the needs of our customers, with annual production capacity of more than 20,000 MT of polysilicon from our two US-based manufacturing plants. Listed on the Oslo Stock Exchange (ticker: RECSI), the Company is headquartered in Lysaker, Norway.
