

Copperstone appoints Frida Keskitalo as CFO

Copperstone Resources AB (publ) (“Copperstone” or the “Company”) has appointed Frida Keskitalo as CFO. She will take up the position on April 1, 2023. During her career, Frida Keskitalo has mostly worked at LKAB where she has held several positions in finance and accounting as well as managerial roles in operations, maintenance and logistics.

“We are very much looking forward to Frida Keskitalo joining our team. She has broad and solid expertise in financial management and accounting in mining operations. Combined with her other experience from senior operational roles, this means that she will make a major contribution to the phase that Copperstone is now entering. We wish her a warm welcome,” says CEO Henrik Ager in a comment.

About Frida Keskitalo

Frida Keskitalo was born in 1979 and has a degree in economics from Umeå School of Business, Economics and Statistics. She started her career at LKAB in Kiruna in 2005 and has subsequently held a number of roles at LKAB, several of which in senior positions. Her roles have included financial accountant, accounting manager for LKAB Parent Company and operations controller at the “Sales & Logistics” unit. She most recently held the position of Section Manager Operations and Maintenance at LKAB Malmtrafik AB Terminal.
