

EARLY PUBLICATION OF MIPS' REPORT FOR THE THIRD QUARTER 2022

Mips AB's (publ) interim report for the period 1 January – 30 September 2022 will be published on 16 October 2022 at 10.00 p.m. (CET) instead of 26 October 2022.

In light of the press release that Mips published on 12 September 2022 regarding the uncertain market situation in the bike sector, Mips has decided to accelerate its work with the report for the third quarter 2022 and to adjust the release date of the report in accordance with the information stated above.

Max Strandwitz, President and CEO, and Karin Rosenthal, CFO, will on 17 October 2022 at 10.00 a.m. (CET) present the results at a conference call, followed by a Q&A session.

About Mips

Mips specializes in helmet-based safety and is a world-leader in this area. Based on an ingredient brand business-model, Mips' safety system is sold to the global helmet industry. The technology is based on over 25 years of research and development together with the Royal Institute of Technology and the Karolinska Institute, both located in Stockholm, Sweden. Mips' headquarter with 68 employees engaged in research and development, sales, marketing and administration is in Stockholm, where its product and technology test facility also is located. The Mips share is listed on Nasdaq Stockholm. For more information: www.mipscorp.com
