

## Renewcell achieves Recycled Claim Standard certification for Circulose®

**Beginning in December 2021, all production of Circulose® dissolving pulp at Renewcell's Kristinehamn recycling plant will be certified as 100% recycled under the Recycled Claim Standard (RCS). The RCS is an international, voluntary standard that sets requirements for third-party certification of recycled input and chain of custody. The primary goal of the RCS is to increase the use of recycled materials.**

Developed by Textile Exchange, a global non-profit organization advancing preferred fibers and materials, the RCS certification has increased the use of recycled content in the textile industry.

A recycled content claim can only be made for materials that have been recovered or otherwise diverted from the solid waste stream. The certification process requires partners to comply with standards at every step of the supply chain, starting with the raw material (or recycling) suppliers and ending with the end seller in a business-to-business transaction.

More information on the Recycled Claim Standard can be found at [www.recycledclaim.org](http://www.recycledclaim.org)

## **About Renewcell**

Founded by innovators from Stockholm's KTH Royal Institute of Technology in 2012, Re:NewCell AB (publ) ('Renewcell') is a multi-award-winning sustaintech company based in Sweden. The company's vision is to inspire an Industrial Evolution to a sustainable world by producing high quality materials from recycled textiles.

Through its patented process, Renewcell is able to upcycle cellulosic textile waste, such as cotton clothes, transforming it into a pristine new material called Circulose®. Fast Company named Renewcell one of the World's Most Innovative Companies 2021. Circulose® was also included on TIME Magazine's list of the 100 Best Inventions 2020.

Renewcell is a publicly listed company with shares traded on Nasdaq First North Premier Growth Market with the ticker name RENEW and ISIN code SE0014960431. FNCA Sweden AB is Renewcell's Certified Adviser, +46(0)8-528 00 399, info@fnca.se.
