Buyback of B shares in Embracer during week 41, 2025

Between 6 October 2025 and 10 October 2025 Embracer Group AB (“Embracer”) (LEI code: 549300RFXXKT652HB549) has repurchased in total 696,484 own B shares (ISIN: SE0023615885) as part of the share buyback program initiated by the board of directors on 18 September 2025.

The share buybacks are a part of the SEK 500 million program that Embracer announced on 18 September 2025. The buyback program runs between 19 September 2025 and no later than 2 December 2025 and is being carried out in accordance with the EU Market Abuse Regulation 596/2014 (MAR) and the European Commission's Delegated Regulation 2016/1052 (the Safe Harbor Regulation).

The purpose of the buybacks within the buyback program is to reduce the share capital of Embracer in order to optimize Embracer's capital structure and thereby contribute to increased shareholder value. Therefore, the board of directors intends to propose that the repurchased shares under the program are cancelled by way of a reduction of Embracer's share capital no later than at the annual general meeting 2026.
