Kambi Group plc completes share buyback programme

Kambi Group plc ("Kambi") has completed its share buyback programme (the "Programme") initiated on 22 June 2026 within the mandate approved at the Extraordinary General Meeting (EGM) on 18 June 2026.

The objective of the Programme was to achieve added value for Kambi's shareholders and to give the Board increased flexibility with Kambi's capital structure by reducing the capital. The Programme was being carried out in accordance with the Maltese Companies Act, the EU Market Abuse Regulation No 596/2014 (MAR), Commission Delegated Regulation (EU) No 2016 /1052 (Safe Harbour Regulation) and other applicable rules.

Kambi will now seek the necessary Board approval to initiate the cancellation of shares acquired under the Programme in line with its purpose. The mandate provided by the EGM on 18 June 2026 also allows the Board to decide to launch further share buyback programmes.

On November 23 2026, Kambi repurchased a total of 4,000 ordinary shares at a volume-weighted average price of 159.67 SEK. From the beginning of the Programme, which started on 22 June, until and including 23 November 2026, Kambi has repurchased a total of 602,027 ordinary shares at a volume-weighted average price of 165.90 SEK per share.

During the Buyback Period, Kambi has repurchased shares as follows:

Date	Aggregated daily volume (number of ordinary shares)	Weighted average share price per day (SEK)	Total daily transaction value (SEK)
23-Nov-2026	4,000	159.67	638,662

All acquisitions have been carried out on Nasdaq First North Growth Market in Stockholm by DNB Carnegie Investment Bank AB on behalf of Kambi. DNB Carnegie makes its trading decisions in relation to Kambi's shares independently of and without influence by Kambi. Following these latest purchases, Kambi Group plc holds 1,002,027 of its own shares as of 23 November 2026. The total number of shares in Kambi Group plc is 26,911,049.

Under the Programme Kambi is authorised to repurchase a maximum of 2,291,105 ordinary shares, up to a maximum amount of SEK 100 million (€9.2m).

A full breakdown of all transactions carried out during the Buyback Period is attached to this announcement. Information on the Programme is available on Kambi's website, https://www.kambi.com/investors/share-buyback-programme/
