

Avanza's incoming CEO has acquired shares and warrants in Avanza

Knut Frängsmyr, incoming CEO of Avanza, has acquired 16,000 shares and 275,000 warrants in Avanza Bank Holding AB (publ).

On 7 September, Knut subscribed for 75,000 warrants in Avanza's existing warrant programme 2023/2026, according to the terms resolved by the Annual General Meeting 2021. The warrants were acquired at market value as determined by an independent agency. Each warrant entitles the holder the right to, in three years in accordance with Avanza's warrant programme 2023/2026, subscribe for one (1) new ordinary share in Avanza at a subscription price corresponding to 120 per cent of the weighted average price of completed transactions involving Avanza's share on 24 August 2023. The acquisition of the warrants does not affect the dilution more than within the framework of the existing programme.

In addition, Avanza's two largest shareholders, Biovestor and Creades, have issued an additional 200,000 call options on corresponding terms as Avanza's warrant programme. These 200,000 call options will not affect the dilution for Avanza's other owners.
