## **Trelleborg's acquisition of sealing specialist in Singapore finalized**

Trelleborg Group has finalized the acquisition of Masterseals, a Singapore-based company that specializes in sealing solutions for the energy sector and industrial applications.

Masterseals is known for its engineered sealing solutions produced in small series for demanding operating environments. In addition to manufacturing, the company also operates as a technical service center focused on aftermarket support and short delivery times. In 2024, the company generated sales of just over SEK 40 million. Its office and manufacturing facility are located in western Singapore, in close proximity to Trelleborg's Customer Solution Center.

The transaction was consolidated on September 1, 2025.

The press release on the acquisition was published on July 11, 2025.
