

Piranha Announces MechWarrior 5: Clans

Piranha Games revealed MechWarrior 5: Clans, a new standalone MechWarrior game coming to PC, Xbox and PlayStation in 2024.

MechWarrior 5: Clans, while retaining the MechWarrior 5 designation, represents a transformative step forward in the MechWarrior 5 franchise. MechWarrior 5: Clans linear campaign will be an evolution of gameplay and storytelling in the MechWarrior series, experienced from the perspective of Clan Smoke Jaguar in the pivotal conflict known as the Clan Invasion starting in the year 3050.

MechWarrior 5: Clans features a captivating and intricately crafted story that immerses players in the conflicts of the Clan Invasion. The campaign takes place across a variety of planets through stunning, meticulously designed biomes where immersive realism is baked into every detail. Hand crafted maps and missions deliver engaging combat, both complex and chaotic, demanding thoughtful, strategic play. Tactical options abound with an all new cast of customizable Clan Mechs boasting sleek and powerful Clan technologies. MechWarrior 5: Clans explores a pivotal time in the MechWarrior universe brought on by the Clan Invasion and incredible technological advances in Mech warfare.
