Anna Lefevre Skjöldebrand and Ben Toogood to leave the Board of KDventures at year-end

STOCKHOLM, 17 November 2026. KDventures AB (publ) (Nasdaq Stockholm: KDV) today announces that Board members Anna Lefevre Skjöldebrand and Ben Toogood will leave the Board as of 31 December 2026.

The departures follow the company's work to adapt its cost structure to the current focus of its operations. From the turn of the year, the Board will consist of three members: Anders Hallberg (Chairman), Angelica Loskog and Anders Bladh. Together with the ongoing adjustment of the management organization, the change contributes to a more cost-efficient operation focused on protecting and developing the value of the existing portfolio.

The Board remains quorate with three members and considers that it can fulfill its duties until the next Annual General Meeting. The Board therefore does not intend to convene an Extraordinary General Meeting to elect new members. The composition of the Board will instead be addressed at the 2027 Annual General Meeting.

"I would like to extend my warm thanks to Anna and Ben for their commitment and valuable contributions to the KDventures Board. We are in a phase where we are reviewing all of the company's costs, and I appreciate that Anna and Ben have chosen to step down as part of that effort," says Anders Hallberg, Chairman of KDventures.
