

Invitation to Digital Identity Briefing

Precise hereby invites investors, analysts and media to its Digital Identity Briefing on 13 January 2022, at 10.00 CET. The objective of the briefing is to provide more information on the company's growth agenda, technology and business model for Precise's SaaS business area Digital Identity.

During the event, a presentation will be held by Chairman of the Board Torgny Hellström and CEO Stefan K. Persson in English and will conclude with a Q&A session. Questions can be asked on the telephone conference or in written form through the webcast. No pre-registration is needed.
