
Sensys Gatso - Underestimated potential in the USA

Redeye believes Sensys Gatso has just entered a very interesting period with increasing momentum in both sales and earnings growth. Further, Sensys Gatso reiterated its ambitious 2025 targets. With only two years to go, Redeye suspects that the company has some significant positive news imminently awaiting. With an estimated P/E ratio of only 10 and 8 for 2024e and 2025e respectively, Redeye anticipates a strong share-price momentum going forward. Redeye raises its valuation range.
