After the issue, the shares and the warrants will be separated. Two (2) warrants entitles to subscription of one (1) new share in the Company.

The Company's share capital may be increased through subscription of the new shares and through exercise of the warrants for subscription of new shares. The Company's share capital may be increased by no more than SEK 9 888 644,60, out of which no more than SEK 7,759,555.68 is from the new shares and no more than SEK 2 129 088,92 is from the new shares that may be subscribed for through exercise of the warrants. In case not all units have been subscribed for, the Board of Directors shall decide that allotment of units subscribed for without unit rights shall take place up to the maximum amount of the issue, whereby the Board of Directors primarily will allot units to those who also subscribed for units based on unit rights, and in the event of over subscription, pro rata to their subscription based on unit rights. Secondly, the Board of Directors will allot units to those who subscribed for units

without unit rights, and if full allotment cannot be made, pro rata to their subscription. To the extent not possible, allotment shall be made through drawing of lots, and finally, subject to such allocation being required in order for the issue to be fully subscribed, to the guarantors of the issue.

Warrants may also, with deviation from the shareholders' preferential rights, be subscribed for by underwriters in the rights issue that have chosen to receive compensation in the form of newly issued units.

Subscription price of units

The subscription price is SEK 0.50 per unit, corresponding to SEK 0.25 per share. The warrants are issued free of charge. In the case of full subscription, this provides issuing proceeds of approximately MSEK 48.5.

The share premium shall be transferred to the unrestricted premium reserve.

Subscription for units based on unit rights shall be made through payment in cash during the period from 12 June 2024 until, and including 5 July 2024. The Board of Directors shall be entitled to extend the subscription period.

Subscription without unit rights shall be made through notice on special application form during the period from 12 June 2024 until, and including 5 July 2024. The Board of Directors shall be entitled to extend the subscription period. Payment for units shall be made at the latest three business days following the date of the dispatch of a contract note to the subscriber, specifying allocation of units, or such later date as the Board of Directors may decide.

Trading with unit rights is expected to take place during the period from 12 June 2024 until, and including 2 July 2024. Trading in BTU (Paid Subscribed Units) is expected to take place from 12 June 2024 until, around week 30 2024.

Subscription of new shares through exercise of warrants may be made during the period from and including 3 March 2025 up to and including 31 March 2025.

Two (2) warrants entitle the holder to subscribe for one (1) new share in the Company at a subscription price per share (the "**Exercise Price**") corresponding to the higher of (i) 70 percent of the volume weighted average trading price of the Company's share on Nasdaq First North Growth Market during a period of 10 trading days immediately preceding the subscription period, however no more than SEK 2 per share, and (ii) the quotient value of the share at the time of exercise of warrants. The part of the Exercise Price exceeding the quota value of the Company's shares shall be allocated to the unrestricted share premium fund. If no trading price is recorded for a particular trading day within the specified period, such day shall not be taken into account, but the period shall instead be extended backwards in time with the number of previous trading days required for the period to comprise a total of 10 trading days with a recorded trading price. The Exercise Price calculated in accordance with above shall be rounded off to two decimals, where SEK 0.005 shall be rounded upwards.

The terms and conditions set out in **Appendix 1** shall otherwise apply to the warrants.

The resolution is conditioned by the Meeting resolving on the proposals set out in items 12, 13, 15 and 16.

Item 15 – Resolution regarding bonus issue

The board of directors proposes that the shareholders decide to carry out a bonus issue thereby increasing the share capital with SEK 5,819,666.76 by making use of the Company's non-restricted equity. The bonus issue is carried out without issuing new shares.

The reduction of the share capital will be made without redemption of shares by changing the share quota value. The reduction amount shall be allocated to the unrestricted premium reserve.

The reduction of share capital by changing the quota value is made in order to ensure that the resolution to reduce the share capital in item 13, the resolution on the rights issue in item 14, and the resolution on a bonus issue in item 15 together do not result in a decrease in the Company's share capital.
