It will also be possible to convert C shares into ordinary shares following a decision by the Board.

Press Release
Stockholm May 3, 2022

Shares may be acquired through trading on Nasdaq Stockholm ("the stock exchange"), or in accordance with a tender offer to all of the company's shareholders. Shares may be acquired during the period from 4 May 2022 until the next AGM. However, no shares will be acquired during a period of 30 days prior to the publication of a quarterly report, including the date of publication. Acquisitions on the stock exchange may take place only at a price per share that falls within the registered price interval at any given time. Payment for the shares shall be made in cash. Shares may be acquired on one or several occasions.

Bure Equity AB currently holds no treasury shares. The total number of shares in issue by Bure Equity AB currently amounts to 74,146,921. The maximum number of shares that can be repurchased is thus 7,414,692.

Authorization of the Board to decide on a new share issue

The AGM authorized the Board of Directors, prior to the 2023 AGM, on one or more occasions, to decide on the issue of shares, with or without deviating from the shareholders' preferential rights. Shares may be issued against cash payment, offset, or transfer of contingent property or with other conditions referred to in chapter 13, paragraph five, section 6 of the Swedish Companies Act. Furthermore, the Board has the right to determine the terms of an issue. The issue price shall be determined by market conditions and the number of newly issued shares may not exceed ten per cent of the number of outstanding shares on the date of this notice.

The reason for deviating from the right of pre-emption and the right to decide on offsets, in kind or other conditions referred to in the Companies Act is that the Company should be able to issue shares in order to continuously adjust the Company's capital structure to match the Company's capital needs and thereby contribute to increased shareholder value.

Exercise of repurchase authorization

At the statutory meeting following the AGM, the Board decided to exercise this authorization. This decision means that repurchases can be initiated during the year.
