Maximum Entertainment Launches Owned IP – Smalland: Survive the Wilds

Umeå, Sweden (Mar. 29, 2023) – Zordix AB (publ) (Nasdaq: ZORDIX B) today launches the highly anticipated multiplayer survival game Smalland: Survive the Wilds in Early Access and Epic Games Store on PC. Developed and published as an owned IP, by Merge Games, a part of Maximum Entertainment, Smalland: Survive the Wilds, challenges players in a survival open world as one of a race of tiny people in a vast, hazardous open world.

Players get to explore a rich and open world immersive landscape as the Smallfolk, a tiny race of people by traversing lake-sized puddles, climbing mountainous trees, and battling monstrous creatures that see them as lower prey on the food chain. See [Smalland: Survive the Wilds trailer here](#).

“Merge Games has put a tremendous effort into developing and launching our owned IP Smalland: Survive the Wilds. We are immensely proud of this achievement with over 380 000 wishlists on Steam and Epic Games Store. We believe fans will have a blast exploring this open-world survival adventure game,” says Christina Seelye, CEO of Maximum Entertainment.

Players can scale skyscraper-sized trees, scramble through cavernous cracks in roads, as well as refine and craft resources to build encampments on the ground or in the canopy and more as they experience the unique biomes of Smalland’s huge open world.

“We are thrilled to be launching Smalland: Survive the Wilds into Early Access on PC today. Smalland is a fully owned IP that has been developed and published in-house at Merge Games. We have strived to create a truly captivating open-world survival gameplay experience for our ever-growing community. We couldn’t be prouder of our talented team who made it all possible and we can’t wait for players to begin exploring the world we’ve created. Today is just the beginning of this journey”, says Luke Keighran, Managing Director, Merge Games.

The game features multiplayer functions for up to ten people with crossplay between Steam and Epic Games Store to build bases that can follow players to any world, allowing them to join any server and take their camp with them. Players can also tame and ride wild creatures from geckos, spiders, to dragonflies, each mount providing a unique means of travel and explore the world from new perspectives. In Smalland: Survive the Wilds,

players get to challenge their survival creativity and craft powerful armor sets to personalize their appearance and grant resistance from the elements along with the abilities needed to stay alive. Explore the world and survive together or toggle friendly fire to bring the fight to others.

Smalland: Survive the Wilds is developed and published by Merge Games, a part of Maximum Entertainment. Fans can buy now on [Steam](#) and the [Epic Games Store](#). For more information, please visit www.mergegames.com or follow on social media:
